September 2021

WELCOME BACK!

GEF is excited to kick off another school year with a return to in-person learning! We are already at work preparing to review Fall grant applications that support the D34 strategic priorities by funding innovative pilot programs across all of our schools.

Thanks to the generous support of our sponsors and donors last school year, we surpassed our 2020-2021 fundraising goal! Thank you District 34 families for your support and for helping us to succeed in our mission.

We are grateful and excited to introduce our generous Glenview community business sponsors listed below for the 2021-22 school year. Please support them as well as our local community by shopping or donating whenever possible.

INTRODUCING THE 2021-22 GEF INDIVIDUAL DONOR LEVELS

The Glenview Education Foundation is a non-profit, volunteer-driven fundraising organization of District 34 parents who believe incremental private funding is critical for supporting a high performing public school district.

Since being established in 2001, GEF has invested more than \$2,000,000 to fund innovative and high impact pilot programs via educator grants for ALL DISTRICT SCHOOLS!

GEF depends on the generous donations of the D34 community to fund our mission. While we welcome and are grateful for donations of all sizes, individuals that donate \$250 or more to GEF will receive special recognition on our website: www.gef34.org. For additional information, email us at info@gef.org.

Doctorate: \$1500 | Masters: \$1000
Bachelor: \$750 | Scholar: \$500 | Friend: \$250
