.

Thank You, Glenview!

What a fantastic 2025–26 GEF Fund Drive! A huge thank you to everyone who picked up the phone, answered our texts, and supported our mission. Your generosity helps elevate education in District 34 and brings big, innovative ideas to life.

As a volunteer-run foundation, we work year-round to fund the teacher-driven grants that introduce new programs, materials, and cutting-edge technology into our classrooms—helping our students explore, create, and succeed.

Your support is what makes this possible. Each year, our Annual Fund Drive powers the pilot programs our educators are excited to launch, enriching the learning experience for every child in D34. And if you haven't yet made your contribution, it's not too late! Just click the donate button below. Every dollar goes directly toward strengthening D34 programs—and yes, it's tax deductible.

We're truly grateful to all our amazing business sponsors who have stood with us year after year in supporting our mission. A special shout-out to our newest partners joining us for the 2025–26 school year:

- Dance and Music Academy / Trifecta Dance Collective
- Tina Parekh Consulting
- Ivy Rehab for Kids (formerly Little Steps)
- Hynes Auto Service, Inc.
- Tutu School Glenview

Together, we can make a lasting impact on the educational journeys of our students. Thank you for being such an essential—and amazing—part of our community.

Happy Thanksgiving!

GEF Grants in Action: Middle School Broadcasting Studios

Lights, Camera, Learning!

Did you know that Attea and Springman Middle Schools now have professional-grade broadcasting equipment—thanks to last year's GEF grant? It's one thing to teach students about media; it's another to put real tools in their hands and watch their creativity take off.

And that's exactly what's happening.

With GEF-funded production equipment, the studios have become vibrant, hands-on learning hubs where students explore storytelling, communication, technology, and teamwork.

Learning through production has brought media literacy to life in ways that traditional instruction simply can't match. We're proud to have supported these new broadcasting studios.

Way to go, Attea and Springman!

In the Spotlight: Tutu School

We're thrilled to spotlight Tutu School Glenview, a new Doctorate-level supporter of GEF.

Tutu School offers story-driven ballet classes for children ages 6 months to 8 years, plus a fantastic lineup of holiday-break camps. Whether you need a fun, dance-filled day during Thanksgiving break or want to explore ballet over winter break, they've got something for every little dancer. And don't forget—their January Bravo Bash Winter Recital is coming up soon!
