

GLENVIEW EDUCATION FOUNDATION

ANNUAL FUND DRIVE

OCTOBER 1ST - NOVEMBER 5TH, 2019

In the Classroom, Issue no. 2

October 2019

The Glenview Education Foundation Annual Fund Drive is Going On Now!

The Glenview Education Foundation's Annual Fund Drive officially kicked off on October 1st, and will run through November 5th.

During this period parent volunteers ask for monetary donations to the Foundation which are then invested into your children's classrooms via educator grants. GEF's fundraising goal for 2019-2020 is \$150,000 and we plan to reinvest all of that or more back into ALL DISTRICT 34 SCHOOLS.

This year, the District has to place much of its funding toward necessary building improvements and repairs, making GEF's grant funding more critical than ever to allow our schools to remain on the cutting edge of education. We need your support and no donation is too small.

Make your donation and "Avoid the Call" on our November 5th Phone-A-Thon!

WHO WE ARE AND WHAT WE DO

The Glenview Education Foundation, more commonly known as GEF, is a non-profit, volunteer-driven fundraising organization of District 34 parents who believe incremental private funding is critical for supporting a high performing public school district. Since being established in 2001, GEF has invested more than \$2,000,000 to fund innovative and high impact pilot programs across District 34.

GEF GRANT IN ACTION: MAKER MODULES

Thanks to GEF Donors, we were able to fund the 2017 grant request for Maker Modules, which were implemented in the 2018-2019 school year. Today, the Maker Modules program serves as the STEM curriculum for all students grades K-5 in District 34. Students learn through hands-on lessons in construction, circuitry, and robotics/coding.
